**T**imeshare Title Trust Limited, Inc. handles transfers exclusively for the timeshare vacation resort industry. We are unique in the fact that we are attorney owned and managed. This provides an additional element of expertise not always available in other companies.

If you are an individual **buying or selling** a timeshare, interval ownership or fractional ownership property, we can help. These purchases and sales are a unique type of real estate transaction. Not all title companies specialize in these types of real estate transfers. Protect yourself by working with a company that has experience and understands the unique issues involved in the timeshare and vacation resort industry. We will guide you through each step of the process and answer all of your legal questions.

If you are a **developer or a resale company**, it's time to start working with **Timeshare Title Trust Limited, Inc.** Don't settle for less than a company that offers both **knowledge and service**. Why not use the best, especially when it costs you less! Do not tolerate slow, inefficient closing procedures that hamper your sales efforts and affect your cash flow.

While other companies handle these transactions, few can match our credentials.
